of the HPV-16 Virus

SUBMISSION OF CORRECTED COMPUTER READABLE FORM OF INITIAL
SEQUENCE LISTING UNDER 37 C.F.R. 1.825

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

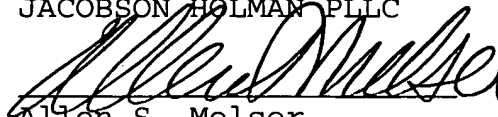

In response to the Notification of Defective Response dated September 19, 2005, Applicants submit herewith one floppy disk containing a corrected sequence listing in computer readable form pursuant to the STIC error report dated August 22, 2005. Please amend the specification to incorporate the substitute Sequence Listing.

In connection with the C.R.F. Sequence Listing submitted herewith, the undersigned hereby states that:

1. In accordance with 37 C.F.R. 1.821(f), the corrected C.R.F. Sequence Listing does not contain new matter.
2. The data content of the paper copy of the original Sequence Listing filed October 21, 2004, and the data content of the corrected C.R.F. of the Sequence Listing submitted herewith, are identical.

All statements made herein are true and that all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent resulting therefrom.

Respectfully submitted,
JACOBSON HOLMAN PLLC
